

INSCH GOLF CLUB UNIT MEMBERSHIP

AN INNOVATIVE SCHEME FOR INFREQUENT PLAYERS

Insch Golf Club has recognised that traditional golf club membership is not always economical for people who play only a limited number of times a year. So we have introduced a new category of membership based on 'units' which can be redeemed when playing on weekdays or weekends.

The scheme is rather like a pay-as-you-go mobile phone service. You buy a block of units; when these are used up, you simply buy another block.

Unit Members are treated the same way as other members. You will be allocated a handicap; you can play in all club medals and competitions, except the Ladies and Gents Championships and the main Singles and Pairs competition; and you can bring guests.

Full details of the Unit Membership scheme and the terms and conditions are available from the Club Administrator or from the website – the contact details are given below.

UNIT MEMBERSHIP TERMS

UNIT MEMBERSHIP DEFINITION

Unit Members are ladies and gentlemen who have paid an Entrance Fee (if currently applied) and have purchased a Unit Subscription comprising 50 or 100 Units at prices determined by the committee of Insch Golf Club.

UNIT MEMBER PRIVILEGES

Unit Members will be allowed to play in all club medals and competitions except the Ladies and Gents Championships and the main Singles and Pairs competition. Unit Members will not be allowed to hold office or speak at General Meetings.

HANDICAP CERTIFICATE

Unit members are eligible to receive a Handicap Certificate approved by the Handicap Secretary.

UNIT ALLOCATION

The number of units per round shall be determined by the committee and may be changed at any time, except that unused units already purchased may be redeemed at the rate applicable at the time of purchase. The current unit cost per round shall be 5 units for weekdays and 7 units for weekends – or just 2 units when winter green fees apply.

A Unit Member intending to play or later deciding to play less than a full round is still required to deposit a ticket for 2, 5 or 7 units.

Units may be carried forward from one year to the next but will expire two years after the date of purchase. No refund for unexpired units will be offered by Insch Golf Club.

SELF-ADMINISTRATION

The Unit Membership scheme is heavily reliant on the honesty of reporting by the unit holder. In every case where the holder is planning to play a round of golf at Insch Golf Club they must deposit a self-certified ticket with the administrator or bar staff or in the scorecard box prior to play. Failure to comply with this procedure may result in elimination from any competition being played and the forfeiture of some or all of the outstanding units held by that member.
